## OBJECTIVE

Seeking a dynamic environment that nurtures learning, creativity, and personal growth in IT and web development. Dedicated to introducing future-oriented solutions and overcoming challenges to achieve career goals.

## EXPERIENCE

### Makeup Coders, Chattogram

#### Software and Mobile app Developer

October, 2022 - Present

I contributed to cutting-edge web and mobile apps at a top development firm, specializing in React and React Native technologies, collaborating across teams for client-focused solutions.

### Search Engine School, Chattogram

#### Project Manager

October 2022 - December 2022

In my previous role as a project manager, I led diverse teams to deliver high-impact projects on time and within budget, fostering effective communication and achieving client objectives.

### IGP, Chattogram

#### NodeJs Developer

June 2022 - September 2022

In my previous position as a Node.js developer, I crafted scalable and efficient server-side solutions, leveraging cutting-edge technologies to drive innovation and optimize performance.

### SoftSource

#### Web Designer

January 2019 - April 2022

In my first role as a web designer, I created visually appealing and user-friendly websites, leveraging modern design principles and tools to enhance user experience and drive engagement.
